MVRC General Meeting

Sunday, October 24 - 4:00 p.m.

Lyons Restaurant - 1000 Howe Ave. - Sacramento

THANKS to all that attended our 30th anniversary meeting in July. We had a good turnout and had a few past members join us for Cake and a good meeting.

Our public service chairperson Wayne has arranged for Ken Sakamoto to speak at the Oct 24 General Meeting regarding human resource needs for coming events. We are trying to find more public service activities for our club to participate in, so please come and listen.

I would like to again thank the members for their donations to help us fix our two meter system. With help from Timberline communications we have been able to get the four-pole antenna and two GM300 to make up a new repeater - see tech notes for more info.

I hope to see another good turnout this October 24th meeting, we will have Door prizes and raffles.

Bill - WA6ACF

NET at 9 pm each Monday. Please turn the radio on and join the group.

WELCOME to new members:

Norman - K6FO YEA that's our good friend NORM who has returned to be an active member.

Doris - WA6UAF became a full time member - guess she wanted to cancel Mikes votes.
