They say a picture is worth a thousand words. While now days most of the mvrc memers are looking for RV caming (with hookups, WI-FI, & convience store near) there were those of us that went a little out of the way to camp. Now there will be a prize for the story of this picture (when, where, & why) so come to the meeting and share your knowledge.

Please check your information on the enclosed roster. You should also check the MVRC web site ([www.mvrc.org](http://www.mvrc.org)) to insure that your E-mail and Web address are correct. Please e-mail Bill - WA6ACF if there are changes.
